

31th March 2016

Dear colleagues,

It is our pleasure to invite you to participate the 3rd regional meeting of specialists involved with mosaic conservation entitled **SEE Mosaics Meeting III “New perspectives and challenges in mosaic conservation”**.

The meeting will be held in Ohrid, Republic of Macedonia **from 14th to 17th September 2016**.

Meeting topics

- Role of conservation science in mosaic conservation – when, why and how
- Classical and advanced documentation techniques - possibilities and constrains
- Alternative movable supports for detached mosaics

This year’s meeting is conceived as a debate where participants will have an opportunity to present creative process to problem solving of different conservation challenges. One whole day will be dedicated to each topic. We encourage you to present case studies with an emphasis on a broad range of approaches and solutions to conservation problems. Afternoon sessions will be reserved for discussions and demonstrations.

There will be poster session organized for participants who wish to present their current activities and projects regardless meeting topics.

You are kindly invited to take part in the program on one or more of the meeting topics.

Due to the funding constrains, organizers will not be able to provide translation. Please note that the working language of the meeting will be English.

An application form and abstract template are attached. Please complete application form and return it by **April 15, 2016**, to:

Branislava Lazarević Tošović
branislava.lazarevic@cik.org.rs

Deadline for submitting abstracts is April 30, 2016.

Participation is free of charge. The organizers will be able to provide a limited number of grants to help cover travel and accommodation costs. If you’re interested in applying for the grant, please mark it in the form attached.

Meeting is jointly organized by the Central Institute for Conservation in Belgrade and CSO "Local Development Agency" of Struga in the frame of the regional project **SEE Mosaics: Developing network of mosaic conservation professionals and promoting mosaic heritage in SE Europe**. Realisation of the meeting is supported by the Central European Initiative – CEI.

Looking forward to meeting you in Ohrid.

Sincerely,

Branislava Lazarević Tošović
